## Are You Being Slowly Poisoned?

The most eminent physicians recognize that uric acid stored up in the system is the cause of gout and rheumatism, that this uric acid poison is deposited in the joints, muscles, or nerve-sheath. By experimenting and analysis at the Surgical Institute in Buffalo, N. Y., Dr. Pierce discovered a combination of native remedies that he called Anuric, which drives out the uric acid from the system, and in this way the pain, swelling and inflammation subside. If you are a sufferer from rheumatism, backache, pains here or there, you can obtain Anuric (double strength) at any drug store and get relief from the pains and ills brought about by uric acid.

Swollen hands, ankles, feet are due to a dropsical condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the blood is filled with poisonous uric acid, which settles in the tissues of the feet, ankles, wrists or back as uric salts; or under the eyes in bag-like formations. It is just as necessary to keep the kidneys acting properly as to keep the bowels active to rid the body of poisons. The very best possible way to take care of yourself is to take a glass of hot water before meals and an Anuric tablet. In this way it is readily dissolved with the food, picked up by the blood and finally reaches the kidneys, where it has a cleansing and tonic effect. Step into the drug store and ask for a 50-cent package of Anuric, or send Dr. Pierce 1c for trial package. Anuric—many times more potent than lithia, eliminates uric acid as hot water melts sugar. A short trial will convince you. —Adv.

## BETHEL

Umbrella Saved Child's Life When Block of Granite Fell.

The four-year-old son of Mr. and Mrs. Pasquale D'Agostino was standing on the sidewalk in front of the Edison block late yesterday afternoon beneath an umbrella held over both heads by an older boy, Joe Piedmonti, when a block of granite weighing several pounds came crashing through the umbrella and inflicted a scalp wound just above the forehead of the four-year-old. It is supposed to have fallen from a third-story window in the building and probably had been in use as a window prop. The boy was carried to the Bethel inn and Dr. O. V. Greene sewed up the wound. Dr. Greene thought the umbrella saved the child's life. The child's mother was near when the accident occurred, and was engaged in conversation with another woman. A younger D'Agostino child was taken last Sunday to the Massachusetts General hospital for treatment.

## RANDOLPH

Rev. Henry Day Died of Shock of Paralysis.

The death of Rev. Henry Day occurred at his rooms in the O'Connor block on Monday after an illness of two weeks from the grip, which developed and resulted in a shock of paralysis, which rendered him helpless. Mr. Day was born nearly 78 years ago, in the town of Monkton, and there he passed the early part of his life. He was one of four children, only one of whom survive him, a brother residing in Illinois. Mr. Day was educated at Concord, N. H., and at the Fort Edward institute, N. Y., and after his education was completed he joined the Vermont Methodist conference and for 11 years preached in different places in the state. He married Mary Spoor of Alburg, and to them were born two sons, Theodore Day, now living on a farm in town, and Alvin Day, a resident of Washington, D. C., who arrived here on Tuesday. After continuing preaching, Mr. Day's health failed, and the family went West and engaged in farming, living in Ohio and Minnesota. Four years ago they returned here and took rooms, in which they have remained till his death. Several years ago Mr. Day's sight failed, and an operation for the removal of cataracts was made, which was not successful, causing him to be totally blind. During his years of darkness, his mind was active, and he composed many poems of worth, which his faithful wife copied and which his friends were pleased to hear given on several occasions. The funeral services were held to-day at 1 o'clock, Rev. S. G. Sutor and Rev. Joseph Hamilton officiating, and interment was in Pleasant View cemetery.

Gerald Stevens has sold his house on Forest street to Garrett Shirley of Rochester, who will take possession as soon as the house can be vacated.

Mrs. E. F. Bixby has gone to the Mary Fletcher hospital, Burlington, for a several days' stay for treatment.

C. F. Stevens was in Barre on Monday on a business trip, returning the same night.
